PROFIL

I love start-ups and new technologies. Throughout my university and work education i have made new experiences the cornerstone of my growth, working and studying in France, Portugal, Italy, Japan and Austria.

PROFESSIONAL EXPERIENCE

Hyperloop | HR Business Partner

Feb.. 2020 - present

Tasks performed : In coperation with Hyperloop Italia, I deal with the identification and inclusion of the talents necessary to take part in this absolutely innovative and revolutionary project.

nCore HR | Product Sales Manager

Marz. 2018 - present

Tasks performed. I deal with the growth and development (commercial and technical) of this innovative Italian startup. nCore HR improves considerably, transforming it, the world of recruitment, making technology a means of support and business growth.

The Adecco Group | Process Analyst

Jug. 2017 - Marz.2018

Tasks performed: I took part of the analysis of the internal processes at Adecco in order to improve them with the inclusion of new technologies or start-ups. In addition, I was in charge of training colleagues on the Italian territory once selected the new tool to be introduced in the company.

Unicredit s.p.a | Digital Consultant

Ott. 2016 - Giug. 2017 Feb.

Tasks performed:

I took part of the digital transformation in the Bologna area, introducing those mechanisms that allow an optimization of processes and a digitization of the end customer.
